

LOUISIANA HANDS & VOICES™

Connections Newsletter

April, May and June 2025

At Louisiana Hands & Voices, our vision is for all children who are Deaf, Hard of Hearing, or DeafBlind (DHHDB) to achieve their full potential. We are a parent-led organization striving to ensure no family feels alone, regardless of the language or communication mode they choose for their child. Through the H&V Guide By Your Side program, both trained Parent Guides and D/HH Guides connect with parents to provide compassion and support.

We would love to connect with you!

Join us on our monthly Parent Chats held for families feature topics of support via ZOOM. This allows families to connect from a comfortable space. These chats provide the opportunity to learn about resources available for families with children who are D/HH. Drawings for gift cards are held at each Parent Chat.
